DETAILED ACTION

Information Disclosure Statement

Form PTO-1449 filed on 4/27/04 contains some minor errors. First, document number 5250959 incorrectly lists the inventor as Abe et al. instead of Yamada et al. Second, document number 4560264 was incorrectly listed as 4650264. The examiner has corrected these mistakes on the 1449.

Allowable Subject Matter

Claims 1-8 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or make obvious the claim limitations of: (claim 1) a light-projecting prism that is provided beside said ocular optical system, to reflect said illumination light beam output from said light source, toward said **emergent opening** (emphasis added) and the optical axis, extending between said light source and said light-projecting prism, being approximately parallel to the plane of said emergent opening; (claim 4) a light-projecting prism that is provided beside said ocular optical system to reflect said illumination light beam, toward said **emergent opening** (emphasis added) and the optical axis, extending between said light source and said light-projecting prism, being approximately parallel to the plane of said emergent opening.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
